As a non-profit organization, Special Olympics relies on the support and generosity of the community and individuals like you to continue to provide year-round sports practices and competitions at no cost to athletes. Special Olympics Marion County South invests more than \$10,000 annually to provide programs to adults and children with intellectual disabilities in our community. Special Olympics Marion County South offers athletes the opportunity to participate in the following sporting events:

Basketball

Swimming

Bowling

Track & Field

Corn Hole

Unified Golf

Softball

Unified Volleyball

Please consider supporting Special Olympics Marion County South with a gift of at least \$100. This gift will change the lives of hundreds of individuals with intellectual disabilities in our community. To show our gratitude for your generosity, Special Olympics Marion County South will recognize its donors on our website. We invite you to attend as a spectator or volunteer to see how your donations help provide a positive and accepting environment where individuals with disabilities learn:

**Confidence. Self-Respect
Social Interaction & Comradery**

Please become a donor and help impact the lives of those around the community one by one.

Let them PLAY!
